Mission¹:

The mission of the College of Saint Elizabeth, sponsored by the Sisters of Charity of Saint Elizabeth, is to be a community of learning in the Catholic liberal arts tradition for students of diverse ages, backgrounds, and cultures. Through the vision and values of Elizabeth Ann Seton, Vincent de Paul, and Louise de Marillac, and rooted in Gospel values and in Catholic Social Teaching, the College of Saint Elizabeth affirms its solidarity with the poor and its commitment in service to the community. Emanating from the institutional mission of the College of Saint Elizabeth, the mission of the CSE Education Programs is to prepare competent, caring, responsible, and professionally active educators who emerge as empowered leaders in their profession. Students who successfully complete CSE Education Programs will understand the subjects they are certified to teach, plan, and assess students' progress using appropriate strategies to address the diverse needs of learners and to promote literacy, critical thinking, and problem solving; and create safe and respectful learning environments that will support their students' intellectual, social, emotional, and physical development. Students will be prepared to meet the New Jersey Professional Standards for Teachers. The mission of CSE's newest instructional program, the ESL Teacher Certification Program, is to prepare and cultivate educators who develop, enhance, model and promote the skills, talents, and abilities of English language learners as members of a multicultural and global society. In addition, the mission of the ESL program is to train educators to utilize scientific tools to bridge educational gaps and accelerate success for all learners. Our vision is that the College of Saint Elizabeth will be nationally recognized for educating individuals who seek an education focused on engaged learning for leadership in service to others. All of our Education programs relate to the Mission of the College and our Four Core Values: (1) Integrity: As a community we are called to unite in honesty, trust and mutual respect and be transparent in our choices; (2) Social Responsibility: As a community we are requested to support the just and ethical well-being of individuals and communities to promote justice, diversity, and sustainability; (3) Leadership: As a community, we are inspired and empowered to move beyond our own borders to be accountable to innovate and transform for the common good; and (4) Excellence in Teaching and Learning: As a community we are committed to creating a stimulating learning environment that promotes critical inquiry and the holistic development of the individual.
